CREDIT GUIDE and QUOTE

CREDIT GUIDE

This combined Credit Guide and Quote for our services outlines our obligations to you and acknowledges your right to ask us about our services. The services that we provide are to assist you to choose a loan which is suitable for your purposes. The information that we will provide includes; who we deal with, our responsible lending obligations, the costs you may incur in completing a transaction, information on the commissions that may be paid to us and the commissions that we may pay to third parties.

This document also provides direction if you are dissatisfied and have a complaint about the services we have provided.

Our Responsible Lending Obligations:

It is our duty to have a reasonable knowledge of your current financial situation, financial objectives and borrowing needs before we can provide credit assistance that meets your requirements.

As a credit licensee we and our representatives are required to:

- make reasonable inquiries about your requirements and objectives;
- make reasonable inquiries about your financial situation;
- take reasonable steps to verify your financial situation;
- make a preliminary assessment about whether the requested credit facility is 'not unsuitable' for you based on the inquiries and information obtained in the first three steps above.

From the date that we provide a quote to you for the purpose of credit assistance, you can request a written copy of the preliminary assessment which will be provided free of charge. This request can be made at any time up to 7 years after we have provided our quote for credit assistance. When the request is made within 2 years of the date we provided the quote for credit assistance we will give you the preliminary assessment within 7 business days of the date of the request. Otherwise we will give you the preliminary assessment within 21 business days of the date of the request.

When we cannot provide credit assistance:

We are prohibited by law from providing credit assistance that does not meet your requirements or objectives and/or where you could only comply with your financial obligations under the requested credit facility with substantial hardship or where other circumstances would make the requested credit facility unsuitable for you.

Our Panel Lenders:

We source finance from a panel of lenders. The lenders named below are the six with whom we conduct the most business.

Latitude Financial Services, Macquarie Leasing Pty Ltd, Secure Funding Pty Ltd (Liberty Financial), Pepper Asset Finance Pty Ltd, Australian Motorcycle and Marine Finance Pty Ltd (AMMF) and RACV Finance Limited.

Commission that will or may be paid to us:

Commission may be paid by the Credit Provider, to us or any Aggregator we use, after settlement of the proposed credit facility. Such commissions may be subject to a range of variables including the \$ amount of your credit facility, the term of your credit facility, the interest rate at which the Credit Provider is prepared to provide the credit facility and the total amount of business (generally referred to as a Volume Bonus Commission) that we place with the Credit Provider in a given period or promotional period.

Commission payable to us is paid by the Credit Provider and does not influence your repayment to the Credit Provider at the interest rate quoted over the approved term.

Please contact us if you have any questions about the credit contract or the fees, charges and commissions that may be payable if you enter into the credit contract. You may, on request, obtain a reasonable estimate of those commissions and how the commission is worked out.

Commission we will or may pay to a third party:

Where you have been referred to us by a third party we may pay that third party a commission as either a fixed amount or a percentage of the total commission we receive. Such commission, when payable may be contingent on the performance of other parties and consequently unascertainable at this time. This commission is not payable by you. You may, on request, obtain a reasonable estimate of this commission and how the commission is worked out.

Third parties may include authorised referrers (including suppliers and dealers), Sub-contractors and Authorised Credit Representatives of Credit One Equipment Finance Pty Ltd.

Volume Bonus Commissions:

We have a volume bonus arrangement in place with Latitude Financial Services, Macquarie Leasing Pty Ltd, Secure Funding Pty Ltd (Liberty Financial), Pepper Asset Finance Pty Ltd, Finance One, Money 3, Wingate Consumer Finance (Now Finance), RACV, RateSetter and Australian Motorcycle and Marine Finance (AMMF) under which those lenders may pay us additional commission depending on the total volume of business we arrange with them.

Dispute Resolution:

Our goal is 100% customer satisfaction so if we fall short of this, we want to know. We understand that sometimes things can go wrong and you may feel the need to make a complaint. To help you do this we have developed an Internal Dispute Resolution process and are members of an External Dispute Resolution service. The External Dispute Resolution is a service that you can access if we do not reach agreement on your complaint. These services are free of charge.
